

PRATO DI FIORI / BY BOŘEK ŠÍPEK

The unconventional Prato Di Fiori chandelier is inspired by a mountain meadow in bloom, with randomly scattered flowers of various colors. Nevertheless, the piece is harmonious as a whole. It is produced with hand-blown components decorated with optic moulds in varied shapes. The multiple mixed shapes and colors brighten every interior.

Prato di Fiori

14X049-00 | Dia 2100 mm / Dia 82,68" | artistic hand-blown glass
